

Dilip Kumar Vaddepally

Senior Shopify Frontend Developer

Bengaluru, India | +91 70132 64156 | dilipkumar.vaddepally141@gmail.com | linkedin.com/in/dilipkumarvaddepally

PROFESSIONAL SUMMARY

Results-driven Shopify Frontend Developer with 2+ years of hands-on experience delivering high-performance, conversion-focused eCommerce stores for leading Indian brands. Proven ability to lead full-cycle builds, complex revamps, and long-term retainers — consistently delivering ahead of schedule. Deep expertise in Liquid templating, custom PDP/PLP development, Shopify Functions, Checkout UI Extensions, and seamless third-party app integrations. Adept at translating business requirements into scalable, maintainable Shopify architectures that drive measurable revenue growth.

CORE SKILLS & TECHNOLOGIES

Shopify Platform:	Liquid, Metafields, Metaobjects, Shopify Functions, Checkout UI Extensions, Online Store 2.0
Frontend:	HTML5, CSS3, JavaScript (ES6+), jQuery, Tailwind CSS, Bootstrap
Integrations:	GoKwik Checkout, Smart Product Filters, Third-party App & Payment Gateway Integrations
Dev Tools:	Git, GitHub, Shopify CLI, Chrome DevTools
Specialisations:	PDP / PLP Customisation, Cart Drawers, Bundles, Mega Menus, Quiz Flows, Performance Optimisation

WORK EXPERIENCE

Shopify Developer

Aug 2025 – Present

FirstSight — Bengaluru

- Leading full builds, revamps, and retainer Shopify projects end-to-end for D2C clients.
- Architecting custom sections, PDPs, and PLPs aligned with client brand guidelines and conversion goals.
- Integrating payment gateways, checkout extensions, and third-party apps to enhance store functionality.
- Collaborating directly with design and product teams to translate wireframes into pixel-perfect Liquid code.

Key Projects:

Oracura (Full Revamp)

- Rebuilt Homepage, PDP, and PLP with improved UX and page-speed scores.
- Developed Mega Menu, Mobile Menu, and a custom product-recommendation quiz.

Nester (Full Build)

- Built all Homepage sections and a fully custom PDP from scratch.
- Integrated GoKwik checkout and developed static recipe pages for brand storytelling.

Magari Furniture (Retainer)

- Revamped PDP and engineered a quiz form with native Shopify email functionality.
- Integrated advanced filters and a payment gateway to streamline the purchase flow.

Magari Essentials (Full Build – Ongoing)

- Customising theme architecture and building Homepage & PDP components.
- Integrating Smart Product Filters and multiple third-party apps.

Killer Jeans (Retainer – Ongoing)

- Delivering content updates, custom section development, and app integrations for a national fashion brand.

Shopify Frontend Developer

Oct 2023 – Jul 2025

Marmeto — Bengaluru

- Developed and customised Shopify storefronts for prominent Indian brands including Raymond, mCaffeine, and Milton.
- Built high-impact features: cart drawers, product bundles, pincode checkers, and custom AJAX-based API integrations.
- Leveraged metafields and metaobjects to build dynamic, data-driven content architectures.
- Delivered full builds and retainer engagements, maintaining consistent quality across concurrent projects.

Key Projects:

Notable Brand Projects

- Milton – Ongoing retainer with dynamic UI enhancements and performance improvements.
- Nexxus (HUL) – Full build including bespoke PDP and Homepage.
- Imagimake – Storefront revamp with focus on performance optimisation.
- MyBorosil – PDP virtual bundle feature and UX enhancements.
- Raymond – Full suite of static brand pages and JavaScript-driven interactive sections.

Shopify Frontend Developer (Internship / Training)

Aug 2023 – Oct 2023

Wizaah — Bengaluru

- Completed intensive, project-based Shopify frontend training covering Liquid, HTML, CSS, and JavaScript.
- Contributed to live Shopify projects: storefront customisation, section development, and responsive UI components.
- Gained practical experience with metafields, metaobjects, and AJAX-based functionality on real client stores.

KEY ACHIEVEMENTS

- Delivered a complete, production-ready Shopify store within 10 days — meeting an aggressive client deadline.
- Consistently shipped full-featured projects ahead of schedule across multiple agencies.
- Successfully managed simultaneous retainer and build projects, demonstrating strong prioritisation and time management.

EDUCATION

Bachelor of Computer Applications (BCA)

Bharathi Degree College
